

taylorBARTON

2013 brings you an intimate collection of songs from the singer-songwriter, **Taylor Barton**. This is her eighth CD and was produced by Tony Shanahan. In 2011 Taylor's world was shattered when her sister died suddenly. Her marriage was tested, and the following year her oldest friend died. These songs are snapshots of her losses, and life's betrayals.

Taylor sends her listeners a message from the heart with her new project, *"Everybody Knows."* The poetry of the songs will capture you and the music will carry you to a place where you will feel at home... comfortable in your own skin. — **JORMA KAUKONEN**

KUDOS from past releases:

Taylor Barton is a gifted songwriter with a beautiful and seductive voice -- each song is a little gift of magic that you want to keep on unwrapping. — **JANE SARKIN** - *Vanity Fair*

Taylor writes of beauty and grace, in a sullied world. — **PARKE PUTERBAUGH** - *Rolling Stone*

Taylor writes from the trenches of the self-examined life: motherhood, sobriety, visionquest, rock wife-dom, grief, longing, beauty, meaning. With soul mate GE Smith as her sideman, she creates aching American classics on "Spiritual Gangster". — **PAULA COLE**

Uplifting, hypnotic, porch toe tappin' to story- tellin', swingin' and ethereal groovin'. — **EDIE BRICKELL**

Some of this prolific New Yorker's songs marry bits of atmospheric poetry with cracklin' urban stomps. With her crack band, Barton wields an ax herself. — **BARRY MAZUR** - *The Nashville Scene*

If tomboy in sexy underwear were an archetype, Taylor Barton descends the stairs as both sultry sorceress and your best friend's sister. And ... She writes good songs. — **RODNEY CROWELL**

FILE UNDER: Pop / Folk / Singer-songwriter

Taylor Barton travels in songs . . . seeking answers to universal questions that take courage to ask. On her latest release "Everybody Knows", stripped down production with a subtle tribal feel thanks to Tony Shanahan of Patti Smith's band lends itself stories of love, loss and solitude. A special nod to the late T Bone Wolk is found in "Heartache on The Hudson". If songs can make us feel less alone in the world, Taylor Barton has written a few.

— **MEG GRIFFIN** - *SiriusXM Radio - The Loft*
